Increase Productivity with PSAV Event Technology Solutions

Stay connected while you're away from the office

Get secure access to your business network by setting up an office in your meeting area. With PSAV's convenient on-site computer and accessory rentals, your team will be as productive as you are back at the home office.

Rental equipment includes:

- Laptop Computer
- Desktop Computer
- Laser Printer
- Network Printer
- Wireless Access Points

Impress your attendees with the latest event technology

- **HD Video Conferencing** – Two-way communication connects regional groups
- **Event Digital Signage** – Environmentally friendly, dynamic messaging on portable stands
- **Audience Response Systems** – Grab your audience's attention and get them involved
- **Gaming Packages** – On-site fun for groups of all ages
- **Content Management Systems** – Single database solution, from abstract submission to post-event content distribution

Ask your PSAV representative how these new services can enhance your next meeting.

Reliable, secure connections . . . Integrated solutions

➤ Shared Connections – Priced Per User

For smaller, lower usage groups

Shared connections offer smaller groups whose Internet needs aren't critical an economical choice. Use for light web surfing, email checking, etc. Can be wired or wireless. Weekly rates and volume discounts available.

prices/users

WIRED	DAILY	WEEKLY
Initial Wired Connection	\$295	\$750
Additional Wired	\$90	\$225
25 – 49 Additional Connections	\$85	\$215

WIRELESS	DAILY	WEEKLY
Initial Wireless Connection	\$295	\$750
Additional Wireless	\$70	\$175
25 – 49 Additional Connections	\$60	\$150
50 – 74 Additional Connections	\$50	\$125
75 – 99 Additional Connections	\$40	\$100
100+ Additional Connections	\$35	\$90

➤ Dedicated Bandwidth Connections – Unlimited Users

For heavy use, larger groups

Dedicated bandwidth guarantees the group access to a reserved section of the available bandwidth. The amount of bandwidth recommended varies based on the intended use and the number of people. Dedicated bandwidth becomes the economical choice for larger groups and those with mission critical needs. Use for heavy web 2.0 applications, video streaming, server hosting, etc.

unlimited users

BANDWIDTH OPTIONS

1.5 Mb	15 Mb
3 Mb	20 Mb
5 Mb	30 Mb
10 Mb	40 Mb

Please contact PSAV for availability.

Rates are per week, using the existing infrastructure.

Additional labor and equipment costs may apply.

➤ Custom Configurations

Designed specifically for your group

PSAV offers numerous custom configuration services. Please let us know your needs at least two weeks prior to your event and our dedicated staff will provide the solution. Options are priced based on labor hours and can vary depending on your specific needs.

All PSAV Network Services locations offer:

- **Private VLAN** – Connect meeting rooms, share printers and create a virtual office.
- **Public IP** – Bring your web or file server to an event and share information globally.
- **Wireless SSID** – Create a wireless network with a custom name for your event. Great for sponsorships!
- **Firewall Port Changes** – Add extra security to a sensitive meeting by closing excess ports.
- **Corporate VPN** – Create a VPN between your office and the meeting. Access your office as if you were there.
