

Let our expert staff pamper you with a Romantic Dinner for two. This unique dining experience features a delectable four-course meal, created especially for you by our Master Chef and served by your own private waiter. Sip champagne and relax as you take in the enchanting views from your choice of the gazebo, a cabana, verberna terrace or the villa lawns.

We offer two enticing menus for your enjoyment. We ask that both guests select the same menu. If you wish, you may substitute a course, with the Chef's approval.
