

NoMI CELLAR NOTES
MARCH – MAY 2008

Every Tuesday from 5:30 p.m. Advanced Sommelier Fernando Beteta is on hand to guide guests through a tasting of different wines or spirits of a particular varietal or region.

Offering the unique option to blind taste the selections for the evening, Cellar Notes gives guests the opportunity to learn how to taste and evaluate wines or spirits, based on the subtle nuances in flavor, acidity, clarity and color of each selection without any knowledge of their identities with the assistance of Beteta.
