

## **WHERE HOLIDAY MEMORIES BEGIN**

*Seasonal Celebrations at NoMI*

It's often the small sentiments of the holiday season that make up the collection of fond memories we hold close throughout the year. Sharing a warm mug of eggnog with loved ones on Christmas Eve or the sweet and salty satisfaction of that first bite of maple glazed country ham on Christmas Day, all evoke memories which span a lifetime. As we approach this festive time of year, guests are invited to renew traditions and build new memories at NoMI. Holiday festivities include:
