ROOM SERVICE

Please dial 1 for Room Service
AVAILABLE 24 HOURS

PLEASE NOTE

Room Service at the resort is picnic style! The tyranny of distance has made it necessary for us to devise a somewhat untraditional method of delivering room service to our guests. This entails special recyclable packaging and hamper style presentation. No room service trolleys, hot boxes or the like. Your order will be delivered in a basket! This way we endeavour to deliver food items as efficiently as possible, and in appetizing condition. We thank you for your understanding.
