

HYATT REGENCY COOLUM

Hyatt Chef

DINNER ACTIVITY

Uncover the budding chefs amongst your colleagues!

This popular group dinner activity provides an entertaining, unexpected and adrenaline-pumping challenge to create a culinary masterpiece.

Your groups dinner will be staged in one of our function rooms, where a section of the room is pre-set as the Hyatt Chef cooking arena – hidden from guests, only to be revealed after main course. In the dining area of the room, guests will enjoy a set menu entrée and main, unaware of the surprise that awaits.

After mains, the cooking challenge is revealed! Guests are free to roam the Hyatt Chef arena, where teams participate in a cook-off to create the evenings dessert, Crêpes Suzette. Facilitated by an MC – preferably supplied by the client and a familiar face to the guests.

On completion of the challenge, the judging panel consisting of two Hyatt Chefs and one representative from the client group, will announce the winning team and dessert is served to the dining room for guests to enjoy.

This is an event that is sure to have your guests talking long after the party is over. Available for groups from 50 - 100 people, priced from \$140 per person, or from \$150 per person for alternative drop entree and main. Audio visual and props available at additional cost.
