

A photograph of the Grand Hyatt Kauai Resort & Spa at dusk. The main building, a large white structure with a green roof and classical columns, is illuminated from within. In the foreground, a large, dark rock formation is partially submerged in a calm body of water. To the left, a waterfall cascades over rocks, and several palm trees stand tall against the twilight sky. On the right, a long, low building with a thatched roof is visible, also reflecting in the water. The overall scene is serene and tropical.
