Lighting & Decor

Thank you for considering Hyatt Regency Long Beach to support your upcoming event. As the leading event technology provider, PSAV works with you and facility staff to ensure each event is an unforgettable experience. It is a pleasure to present you with a few of the following basic audiovisual elements, which we use to support your AV meeting needs.

Please review the information below and allow us to answer any questions you may have.

Stage Wash Package

\$570.00

A lighting wash package will give the stage and the presenter the attention they deserve by focusing special theatre style spot lights on the stage. Includes 6 Leko lamp fixtures, one dimmer w/ controlling board, hardware and labor.

Custom Gobo Package

\$330.00

A Gobo is a metal plate cut out to an exact figure, allowing to project with light on any flat surface your logo, name or message, enhancing the event without having to worry about large banners. Includes one Leko lamp, hardware, labor and a customized gobo for the customer to keep and reuse. *Customer will provide art minimum two weeks ahead of event.*

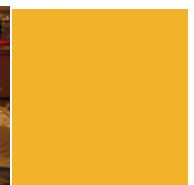

LED Uplighting Package

\$920.00

A cool-to-the-touch, ultra-efficient lighting solution that uses a fraction of the electricity of standard incandescent bulbs. LED lights can generate a full palate of colors and be programmed to change color throughout the event. Includes 10 LED uplights, controller board and labor.

Black heavy Velour pipe & drape system (Per running foot) \$17.00

White, Grey and Blue also available.

** All Lighting & Décor packages must be ordered at least two weeks in advance.*

* All equipment subject to 22% Service charge and 9.75% Tax.

* All equipment is priced per day/ per room

Contact us directly for customized quotes for large, multiday and special needs events.
