**YOU
LIGHT
UP MY
LIFE**

Think the unthinkable. Be it glitter explosions, lasers, streamers or indoor fireworks, we can theme your party and get it started with a bang.

A woman with voluminous, wavy brown hair, wearing a black dress and a multi-strand pearl necklace, lies on a bed. She is looking directly at the camera with a slight smile. A silver tray is positioned above her, containing a white teapot, a glass of red wine, a bowl of assorted nuts, a plate of figs, and a single red rose. The scene is lit with warm, soft light, creating a romantic and elegant atmosphere.

NAUGHTY BUT NICE

Make your wedding night one night to remember with a choice from a number of VIP suites. From relaxing in a scented bath to stretching out in a king-size bed or whatever tickles your fancy...

A woman with a white flower in her hair, wearing a light-colored, patterned, long-sleeved dress with a dark belt, holds a martini glass. She is positioned in front of a large, pink, stained-glass window with a geometric pattern. The lighting is dramatic, highlighting her face and the glass.
