Cirque Polynesia is a masterful blend of contemporary entertainment artistry and unparalleled human ability, inspired by the people and culture of the Pacific Rim.

It is a tale of two worlds coming together, set amongst a Polynesian Village. While the tribe celebrates with the songs and dances of the South Pacific, the mesmerizing beat of the Warrior’s drum booming into the night draws the mysterious Cirque people from the darkness, to join them at their mele for a once-in-a-lifetime affair that changes their lives forever.
