***HYATT REGENCY MAUI RESORT AND SPA MANAGERS
CLEANUP KA'ANAPALI BEACH***

KA'ANAPALI, Maui, Hawaii – April 23, 2009 – Hyatt Regency Maui Resort and Spa managers conducted a mile and a half cleanup of Ka'anapali Beach resulting in several bags of debris, branches and other items in an effort to continue the preservation of the local environment and the ocean.

For two hours on Friday, April 17, nearly 30 of the resort's management team worked together while enthusiastically recognized by guests and beach visitors.

Hyatt Regency Maui Resort and Spa continues to give back to the local community in efforts toward conservation and environmental issues and is a member of the Green Hotel Forum of the Hawaii Green Business Program. In addition, the resort regularly supports local non-profit charitable entities, and works with Make-A-Wish Foundation.
