

Food & Wine Experience

Friday November 20th, 2009

Featuring wines of the Pacific Northwest

The Hyatt Regency Orlando Intl Airport's "Food & Wine Experience" offers a new way to enjoy food and wine together. You will enjoy five wines featured from selected vineyards. Instead of pairing one wine with one food item, our approach is to let you experience how one wine can be paired with two different flavor profiles of food. In our upcoming Food & Wine Experience's we will challenge the traditional and expected food & wine pairings and introduce you to some combinations that you just might not expect. Our goal will always be to make the wine sing.

Reception at 7 pm

Located in the Hemisphere Steak & Seafood Restaurant

\$65 per person

(room, tax & gratuity not included)
