Activities Fun Guide

Hyatt Regency Hill Country Resort and Spa

CAMP Hyatt®

Featuring **JOHNNY VENTURE**

Hyatt's resident thrill-seeking duo, **JENNY & JOHNNY VENTURE**, have tested the "fun factor" of the cool activities your children can experience at Camp Hyatt. Try some of our adventures at Rowdy's Camp Hyatt, like nature hikes, scavenger hunts, or splash in our four-acre water park.

While the kids have fun at **CAMP Hyatt**, worry not; parents can find enough activities to keep themselves occupied. Enjoy treatments at our world-class spa, play a round of golf, or relax by doing nothing at all.

JUST FOR KIDS

Welcome to Camp Hyatt at Hyatt Regency Hill Country Resort and Spa! Designed for guests ages 3 to 12, Camp Hyatt promises fun activities for our younger guests. While your parents head off on their own adventures, you can have fun with us by splashing in one of our three pools, creating your own art, or learning about the native landscape during a nature hike.

FUN STUFF TO DO

Our camp counselors have planned many exciting activities just for you. Be sure to have your parents sign you up for supervised activities that include:

- **Wildlife Trails** Join us for an adventure walk to discover Texas natural wildlife.
- **Texas Tubing** Tube down our Ramblin' River with your new friends.
- **Arrowhead Hunt** Explore Texas history by hunting for arrowheads.
- **Wild West Adventure** Begin your Wild West excursion by creating your own cowboy hat and totem pole.
- **S'more It Up!** End your day eating s'mores or snack on popcorn while watching a movie on the lawn.
- **Reptile Fun** Come see and learn about our white-bearded lizards. You might even get to pet one!

Teenage guests have their own space to hang out and enjoy activities specifically geared to them at the **UNDERGROUND**. Open seasonally.

Note: Activities and pricing are subject to change.
