menu of intraceuticals infusion®

peace, in Malay and Indonesian language, is Damai. Reflecting a harmony found only in Singapore, people of Chinese, Malay, Indian and European descent have come together in this tropical paradise to build a harmonious community, blending cultures and fostering a profound sense of peace. Creating a modern spa experience inspired by the Singaporean lifestyle, Damai brings together the cultural healing philosophies, techniques and traditions of Chinese, Malay, Indian and European cultures as practiced in Singapore, in peaceful harmony.

treatment

Featuring 11 all-encompassing treatment rooms, Damai offers treatments that incorporate natural and exclusive spa products from the June Jacobs Spa Collection and, now, Hollywood's best kept secret - Intraceutical Infusion® - a first in Singapore.

Intraceutical Infusion® delivers essential moisture factors, vitamins and antioxidants offering targeted treatments for fine lines, uneven skin tone and sun damage. Immediate results are seen after just one treatment.

Each treatment room has its own water feature in a nature-inspired setting. Our Couples' Suite features an indoor stone tub bathed in natural daylight, while a wet treatment sanctuary comprises a specially designed Chinese aji stone bed and a healing area based on water therapies.

intraceuticals infusion®

All 60-minute facials begin with thorough cleansing and gentle exfoliation before the Intraceuticals Infusion®.

rejuvenate facial

60 mins \$240

The Rejuvenate Facial is a non-invasive treatment targeting fine lines and wrinkles, and dramatically enhancing overall hydration. The Rejuvenate serum, along with hyperbaric oxygen simultaneously infuses moisture, vitamins and antioxidants into the skin, resulting in immediate visible age-defying results, along with immense hydration, skin will instantly feel rejuvenated, radiant and lifted.

opulence facial

60 mins \$280

The unique Opulence serum contains botanical brighteners with a high concentration of Vitamin C to effectively treat uneven skin tone and pigmentation. Soothing, relaxing and suitable for all skin types, in one treatment, skin looks younger, brighter and more luminous. Uneven skin tone is balanced and skin looks hydrated, radiant and fresh.

atoxelene infusion®

With just one infusion your expression lines become smoother, firmer and visibly reduced, eye contours are more defined and lips plumped. Deemed a mini botox, this add-on treatment targets areas of facial contraction to smooth the appearance of fine lines and wrinkles and provide a visible natural firming.

Atoxelene (paired with rejuvenate / opulence facial)

instant hydration. instant lift. instant result.

The Intraceuticals Infusion® uses hyperbaric oxygen technology combining pressure and hydration to create a unique carrier serum technology. The Intraceuticals Infusion® serum and oxygen maximises tissue saturation, helps moisturise and gives a fine, younger looking outer layer.

All of the Intraceuticals Infusion® facials contain lightweight hyaluronic acid along with a powerful combination of vitamins and antioxidants. Used with hyperbaric oxygen, the skin is instantly hydrated, resulting in increased firmness, reduced fine lines and improved facial contours.

Intraceuticals® has a host of celebrity devotees who use the Intraceuticals Infusion®. Here is what they say about the experience.

Madonna

"I love the treatments, so does my face".

Eva Longoria

"The treatments are a necessity before every major event".

Justin Timberlake

"Years of touring, flying and TV make-up take their toll on your skin. An Intraceuticals Infusion® makes my skin look dope".

Kris Evans

 Makeup Artist Hollywood 'Sex and the City the Movie'

"I am very excited about Intraceuticals and how fantastic the treatments make the skin look. On "Sex and the City", the movie I did treatments on Sarah Jessica Parker and Kristen Davis and again the results were fantastic".
