GENERAL CATERING INFORMATION

Guarantee Counts

In arranging for private functions, the final attendance must be received by the Catering Office no later than 11:00 a.m. seven (7) working days prior to the commencement of the function. This number will be considered a guarantee, not subject to reduction, and charges will be made accordingly.

The restaurant will be prepared to serve 3% more than the guaranteed number of attendees and cannot be responsible for service to more than 3 % over the guarantee for groups of up to 1,000 persons. For groups more than 1,000 persons, a maximum of 30 person overset will apply. If the guarantee is raised within the 72 hours, the 3% over set will not apply, and the guarantee then becomes the set.

Food and Beverage

The Florida State Liquor Commission regulates the sale and service of alcoholic beverages. Victor Cafe is responsible for the administration of these regulations. It is restaurant policy therefore, that liquor cannot be brought into the restaurant from outside sources. Additionally, the restaurant does not allow any food to be brought into the restaurant, whether purchased or catered from outside sources.

Non-refundable Deposits / Prepayment (Social Functions)

An initial non-refundable deposit of approximately 50% of the estimated cost of the function will be required to hold the Banquet space and will be due and payable as stipulated in the contract. An estimated prepayment of the balance of the function will be due and payable on the day of the function by valid credit card. A credit card will be required before the day of your function to cover any overages you may accrue on the day of your event.
