**A VEGETARIAN MUSCLEMAN? WHY NOT!**

Buckwheat is a protein superfood with 12 amino acids to support muscle synthesis! Next time you want to try kickboxing, go ahead. From this power grain, you are getting a good bang for your ‘buck’ anyway!

**He's Mr Omnipresent. The God of Grains!**

Wheat is the most harvested crop in the world - it's cultivated over 220,000,000 hectares worldwide. Wherever you choose to go, you'll always be blessed with bread.

**BARLEY SAYS BONE APPÉTIT!**

All the good minerals in Barley contribute to building and maintaining bone structure and strength. If someone says Barley has barely any nutrients, they are surely trying to tickle a funny bone!

**SHE'S THE QUEEN OF HEARTS.**

Amaranth lowers the risk of cardiovascular disorders, diabetes and certain types of cancer. Marry this grain! Your heart wants her.

**This tiny millet is a shredding machine!**

Hey there! Meet Ragi, your weight loss commander-in-chief. This is a mean little millet, you know. It will shrink you, rip you and still enjoy all that respect!
