if your favourite drink isn't on the list please ask

& we will do our best to accommodate you

G&T's

Our Gins have been carefully selected to represent a different gin flavour profile. All gins must include juniper as an ingredient but all other botanicals vary by gin. Each producer of gin will have their own closely guarded recipe that gives their gin its own unique flavour and quality. To complement their unique flavour profile, we have also selected craft tonics that best match the accompanying gin.

Gindependent 11.00

Sipsmith London Dry Gin, Fever Tree Elderflower Tonic,
