D.I.Y. Bloody Mary Bar

7.5 each | 18 bottomless available for 2 hours (full T&C's available online)*

The Bloody Mary is a common "Hair of the dog" drink, reputed by some to cure hangovers due to its combination of a heavy vegetable base (to settle the stomach), salt (to replenish lost electrolytes) and alcohol (to relieve head and body aches). However, according to others, the alcohol only numbs the discomfort... Its reputation as a restorative beverage contributes to the popularity of the Bloody Mary in the morning and early afternoon, especially with brunch.
