Welcome to Andaz 5th Avenue.

Since opening our doors 10 years ago - our purpose has been to welcome each and every guest through expressions of kindness and to provide a good night's sleep. Today, we recognize our commitment to you must now be focused on peace of mind. As our valued guest, with your wellbeing as our focus, we will deliver a clean and safe experience to you through consistent and transparent actions of care. Your wellbeing is no longer just a priority, it is our promise.

Guided by our purpose, we have implemented the following at our Andaz:

Personal Protective Equipment: All colleagues wear protective masks. Complimentary PPE including masks, gloves, wipes, and hand sanitizer are available. We request guests to wear a mask in public

Zero-Contact Services: 100% contactless check-in, check-out, concierge, valet, in room dining, and housekeeping services are available. Mobile check-in and mobile room key access is encouraged

Enhanced Food Hygiene: To further protect your wellbeing, we have implemented additional food safety and hygiene protocol for all food service and delivery

GBAC STAR™ Certification: The Global Bio-Risk Advisory Council has certified our hotel hygiene and cleanliness standards. A colleague training and certification program has been established to ensure consistent delivery of cleanliness and hygiene standards
