## SECHAN LUNCH SET

KRW 74,000

Sechan is a traditional Korean seasonal custom, where special dishes are gifted during the year-end and New Year's seasons.

The food prepared during this time is called "Sechan", which is shared among family and friends.

This practice has been passed down since the Silla Dynasty, and gifts are often wrapped neatly with the sender's name or a short letter to express mutual respect and friendship.

To celebrate winter, Jogakbo Kitchen has prepared a special Sechan menu.  
Enjoy it together.
