DOWNTOWN NASHVILLE
THE GULCH

THE GULCH

Known for its rich history of Nashville's railroad yards along with local hotspots, The Gulch offers a lively and vibrant hub for your stay. Between Nashville's Central Business District and Downtown, The Gulch focuses on walkability and connectivity, with all of the city's highlights only a few steps or a short ride away. A variety of nightlife, retail, dining and entertainment venues are around every corner.

AMENITIES

Rustic, railway-inspired touches are blended with musical influences throughout our spaces to tie past with present. 210 rooms and suites across 12 floors each offer thoughtful design, bold accents and extra comfortability with floor-to-ceiling windows and cozy sitting areas alongside one king or two double beds. Stick to your fitness routine with our 24/7 Fitness Center, rent one of our three meeting spaces with a covered outdoor terrace for your business needs or lounge in our communal lobby spaces connected to our onsite restaurant.

DINING

From a casual midday café to a pre-Broadway cocktail lounge, our signature restaurant carries guests through every part of their day. Open daily and serving all three meals, our restaurant brings a taste of Nashville to visitors and locals alike. High-top seating and a spirited social energy tie the space together, creating a relaxed space for dishing and dining with friends.

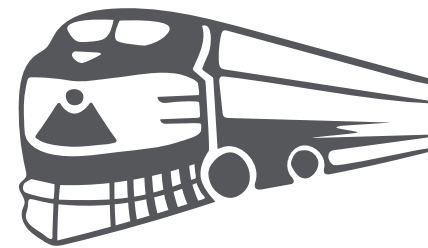

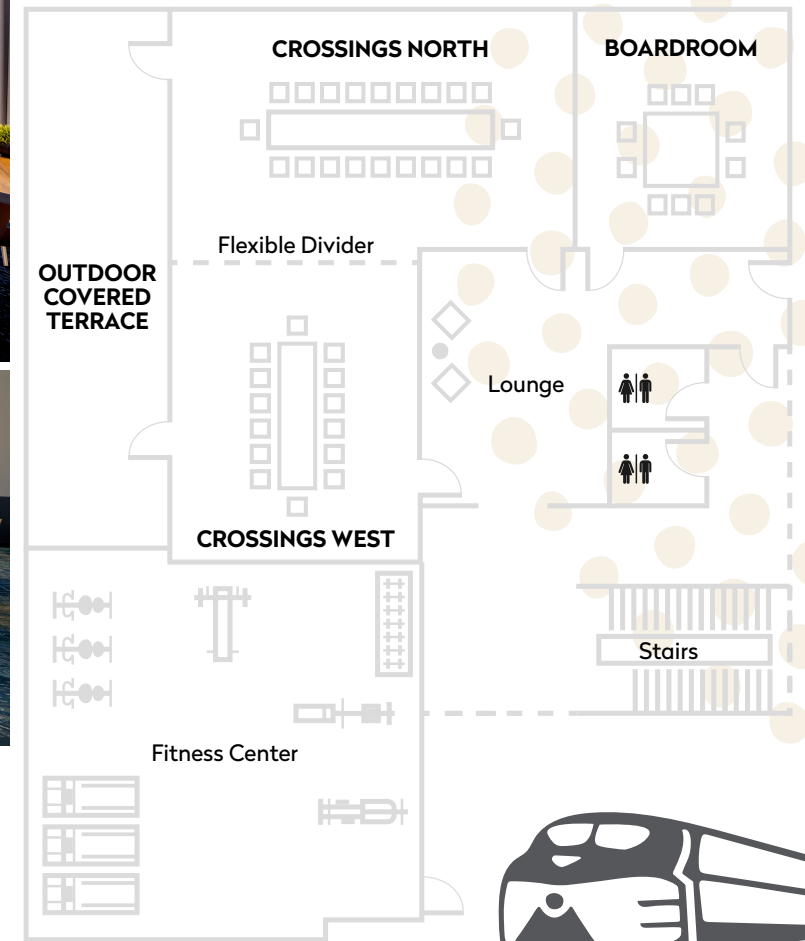

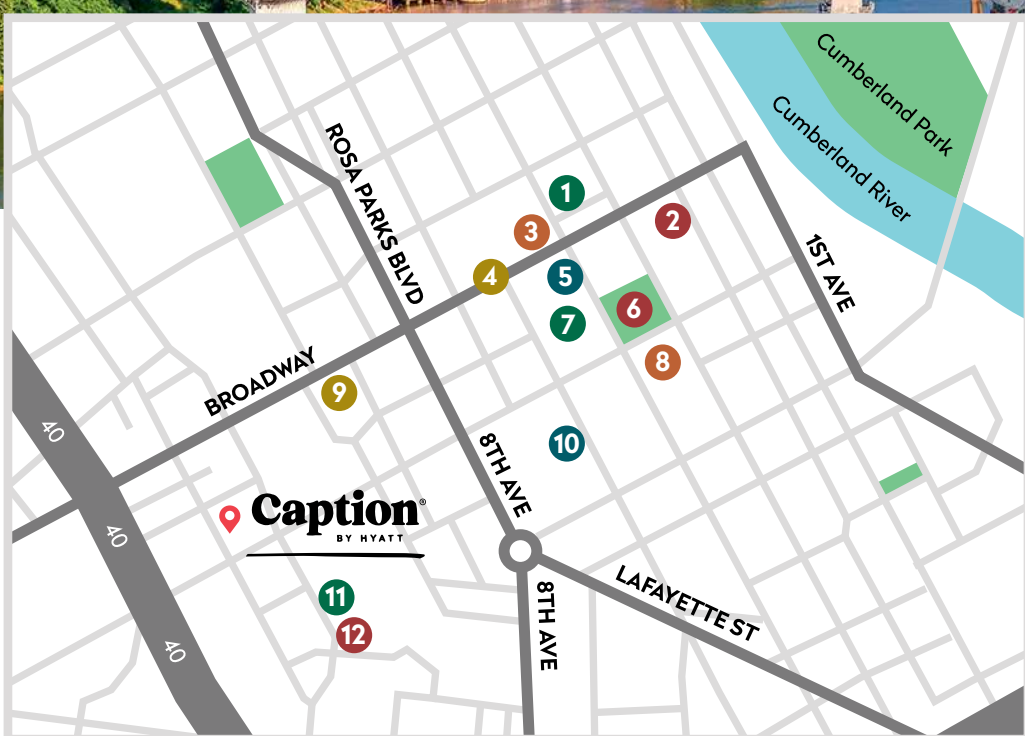

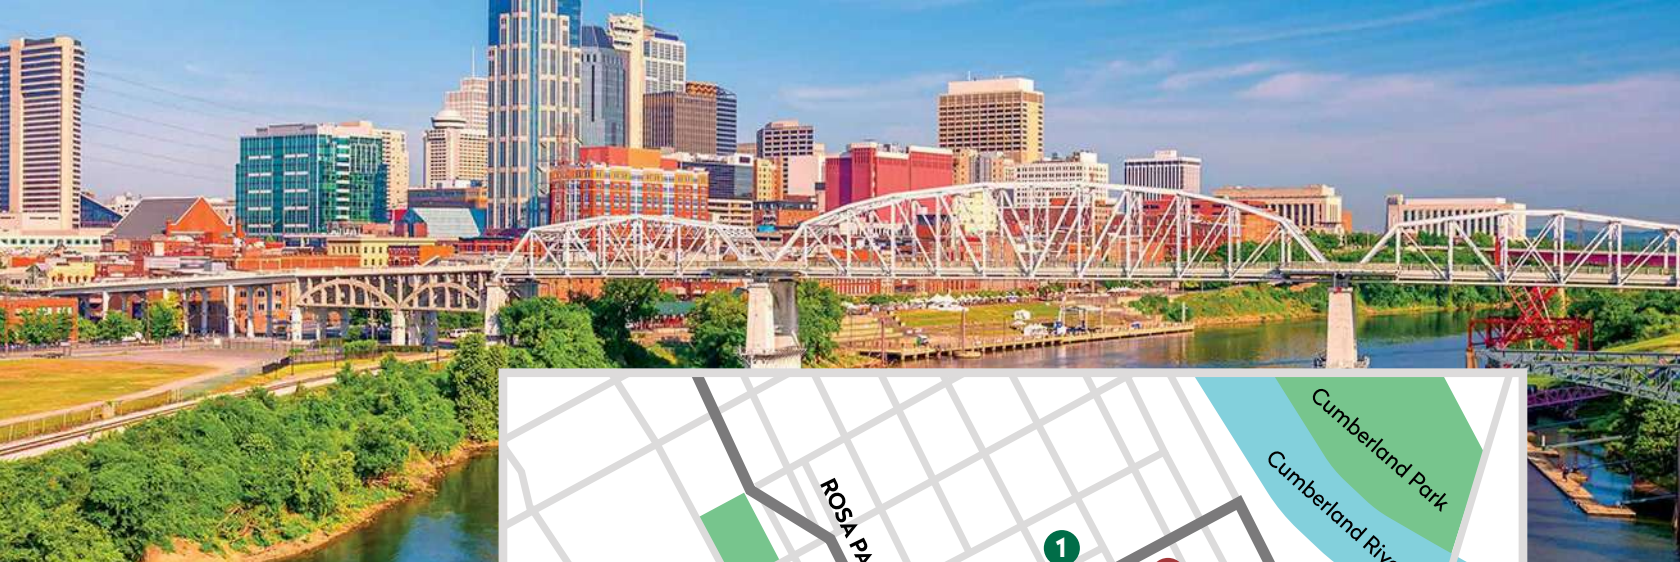

MEETING & EVENT SPACES

Ideally located for both business and social groups, we offer a boardroom for executive corporate meetings or two meeting spaces that can be combined into one large space for bigger gatherings. An outdoor covered terrace showcases city views for an after-meeting mixer or cocktail hour.
