VCE MARCO POLO AIRPORT

HOTEL COURTESY SHUTTLE SERVICE

The hotel offers an exclusive complimentary shuttle service from 9 am to 8 pm which allows you to get to Murano in just 20 minutes. To learn more about the conditions of the service and request an airport pick-up, visit [this page](#).

PUBLIC TRANSPORTATION ALILAGUNA BLU

This line runs regularly all-year round from approximately 4:30 AM to 00:30 AM. The single ticket to Murano is €8 per person. The boat will take approximately 30 minutes to reach Murano Colonna stop. Once alighted there, it is possible to get to the Hotel on foot while enjoying a pleasant 10-minute walk along Rio dei Vetrai and Riva Longa streets (only one bridge to cross which is a rarity in Venice!) or by changing boat to Murano Museo where the Hotel is located. The latter option is advised for those having heavy and/or multiple pieces of luggage per person or travelling with a disability since it avoids crossing the bridge. Schedule available [here](#).

PRIVATE WATER TAXI

The cost of the service may vary according to the transportation company. Fares start from €120 per way up to 4 people. For extra passengers and night rides from 10 pm to 7 am, a surcharge applies. The boat takes 20 mins. to reach the hotel. Advance booking is highly recommended and required for night rides.

TSF TREVISO AIRPORT

Treviso Airport is located in Treviso, a town on the mainland which is 35 km away from Venice.

Land transportation from Treviso Airport to Venice Piazzale Roma is provided by the company ATVO, whereas water transportation is provided by the local company ACTV. The total cost of the journey is around €20 PP if buying single tickets only, and the duration is about 2 hours in total. Once you reach "Venice-Piazzale Roma" by bus, it is possible to choose one of the following water bus lines to get to the hotel ("Murano Museo" stop): #3 (until 6:45 pm, 30-min ride) #4.2 (until 9 pm, 45-min ride) or #5.2 to "Fondamente Nove" and then to "Murano Museo" from 9 pm to 11 pm.
