

We **care** for the
well-being of
our **guests**,
our **associates**
and our **planet**

-  **Food donation** to non-profit organizations
-  **Cage-free eggs** in all restaurants and employee canteen
-  **Food waste as compost and animal food** to reduce CO₂ emissions
-  **Non-plastic** or biodegradable packages for takeaways and non-plastic water bottle in all guestrooms and restaurants
-  **Sustainable seafood** options available in all restaurants and for all events
-  **One of the first hotels to offer plant-based options** in all restaurants and for all events in collaboration with food startup, Green Monday
-  **Many more green** and sustainable steps to come with our commitment in offering extensive organic and locally sourced food ingredients. Stay tuned!
