

CAPTAIN'S

B A R

During the golden age of sailing in the 17th and 18th century, the daily allocation of rum became a treasured tradition among sailors, symbolizing a moment of camaraderie and respite amidst the rigors of life at sea.

With Auckland claiming the highest concentration of sail boats per capita in the world, we have continued this tradition in the Captain's Bar, where today's sailors and guests can come together and 'splice the mainbrace'.

We invite you to enjoy a wide selection of curated rums and skillfully made cocktails, echoing the companionship and adventures of the sailors on board.

C O C K T A I L S

At the Captain's Bar, every cocktail tells a tale of the Seven Seas. Once a term from ancient lore, the "Seven Seas" shifted with time from Greek and Medieval waters to the vast oceans charted during the Age of Discovery. Sailors spoke of the Arctic, Atlantic, Indian, Pacific, and more each sea a gateway to adventure.

Today, we honor that spirit. Each drink on our menu draws inspiration from a different sea bold, exotic, and timeless. So raise a glass, and let your taste voyage begin.
