## ROOFTOP

### Low calories cocktail

Seltzer was created in England in the late 1700's by pouring water back and forth over a vat of fermenting beer — this created the whole process of “impregnating water with fixed air” — and the seltzer as we know it was born. Mixed with our home infused spirits these drinks are the perfect refreshers, low in both calories and carbs.

<b>Fat Boy</b>	180
----------------	-----

---

Cherry infused whiskey, stevia syrup, soda

---

<b>Pookie Bear</b>	180
--------------------	-----

---

## CIGARS

### MILD

**H.Upmann Coronas Major** 640  
*Size: Corona, Length: 132mm (5.2"), Ring Gauge: 42*

A small Upmann, but powerful and with a very good taste and complexity-cocoa, leather and hints of tangy cedar.

**BH.Upmann Magnum 46** 1,230  
*Size: Corona Gorda, Length: 143 mm (5 ½"), Ring Gauge: 46*

One of the best Cuban cigars - dried fruits and intensely rich woody aromas. The roundness of taste is due to the leather and chocolate aromas - the spiciness is present but the taste of the first third is rather heady.

### MEDIUM

**Hoyo De Monterrey Coronation** 510  
*Size: Petit Corona / Length: 129 mm (5") / Ring Gauge: 42*

A very mild Hoyo cigar presented in Aluminum Tubes.  
 A good start for a morning or an easy going afternoon cigar when you want to relax.  
 It is mild tobacco flavor with notes of light leather and cocoa.

**Romeo y Julieta No. 1** 630  
*Size: Crema, Length: 140 mm (5 ½"), Ring Gauge: 46*

Light and fresh flavors, floral bouquet with faint trace of woodiness. Romeo Y Julieta is a perfect cigar for a beginner of the Havanas.

**Montecristo Edmundo** 1,410  
*Size: Edmundo / Length: 135 mm (5.3") / Ring Gauge: 52*

This big cigar looks more powerful than it is. Surprisingly mild, the Montecristo Edmundo has all the recognizable traits of the brand, but delivered in a gentle warm smoke. The aromas are perfectly balanced with its characteristic medium to full flavor.

### FULL BODIED

**Partagas Coronas Senior** 550  
*Size: Corona / Length: 132 mm (5½") / Ring Gauge: 42*

The official name for this size cigar is called Eminentes and is slightly shorter than a Corona. It has a great Partagas flavor with a nice spicy draw and medium strength.

**Montecristo Petit Edmundo**  
*Size: Petit Robusto / Length: 110 mm (4.2") / Ring Gauge: 52*

There is a nice aroma to the cigar, and it shows some definite star anise spice notes, cedar hay, and black coffee and earth notes. It is beautiful first third with nice woody aromas, such as oak and cedar. We can also detect some leather notes surrounding flavors of double roasted coffee and cocoa.

**Partagas Serie D No.4** 1,280  
*Size: Petit Corona / Length: 145 mm (5") / Ring Gauge: 43*

The Partagas Serie D No. 4 starts with a coffee and chocolate flavor with the overtone of leather and tobacco. The cigar mellows down and gets more complex - woody, earthy and sweet with a medium to full body.
