## LUXURY POURS

The Bar at Park Hyatt Bangkok offers the rare opportunity to taste fine wines from some of the world's most acclaimed wineries. Bordeaux is considered the leading fine wine region in the world and delights wine lovers with its rich cultural heritage.

The carefully selected array of fine wines served at The Bar, displays some highlights of this region in Southwest France. The opportunity to taste these remarkable masterpieces is unprecedented in Bangkok.

Wine preservation systems available today give us the freedom to pour, and enables our guests to taste, a variety of luxury wines rarely offered by the glass. A unique technology keeps the cork in place, while allowing the wine to flow, protecting the wine from oxidation so that every drop tastes exactly as if the bottle was just opened.

Without committing to a full bottle, you can taste and pair your wines by the glass and discover some of the finest rarities in our cellar.

Sabine Delettre Nakamura  
Beverage Manager, Park Hyatt Bangkok
