

SUSTAINABILITY POLICY

PARK HYATT MALDIVES, HADAHAA is committed to achieving best practice environmental and social sustainability and has partnered with EarthCheck, the world's leading Benchmarking and Certification provider.

PARK HYATT MALDIVES, HADAHAA, is a Luxury Maldives Resort in the North Huvadhu (Gaafu Alifu) Atoll, Republic of Maldives. The resort villas include 51 Villas, swimming pool, gymnasium, Dive and Activity Centre, the award winning "Spa" in addition to a series of food and beverage outlets. The Huvadhu atoll is one of the largest and deepest natural atolls in the world, and just 55 km from the Equator.

At PARK HYATT MALDIVES, HADAHAA, we recognize the activities of our resort have the potential for negative impacts on the environment and community if not properly managed. As such we have implemented an Environmental Management System that meets the requirements of the EarthCheck Company Standard.

Hyatt's purpose is "WE care for people so they can be their best. Caring for the environment is one of the many ways we care for people so they can be their best." We are dedicated to integrating this purpose into our environmental and social sustainability efforts.

PARK HYATT MALDIVES, HADAHAA is committed to continual improvement measured by way of annual Benchmarking Assessments. The team at PARK HYATT MALDIVES, HADAHAA strives towards minimizing our footprint on the environment by implementing sustainable initiatives aimed at improving the resort's performance, reducing the use of Energy and Water and the production of Waste.

PARK HYATT MALDIVES, HADAHAA will comply with all relevant legislation and regulations, and aims to achieve international best practice. We have appointed our Resident Marine Biologist as the EarthCheck Coordinator, who has responsibility for improving the resort's sustainable performance.

Special consideration will be given to employing and empowering local employees, and wherever possible sustainable products and services will be sourced locally in accordance with Fair Trade principles.

We encourage staff to present our commitment to environmental and social sustainability to all key stakeholders including guests, suppliers, and contractors.
