

SCUBA DIVING

PADI COURSES

We offer an extensive range of courses to suit all abilities, ages and nationalities. We have a superb house reef and many nearby dive sites to choose from which are teeming with marine life and exceptional coral diversity. Due to the isolated nature of the resort, the dive sites are rarely visited by anyone else. Take the opportunity of being in one of the best diving regions in the world to learn a new skill.

Discover Scuba Diving

While not an actual scuba certification, during the experience you'll learn how to use scuba equipment in shallow water and get a quick and easy introduction to what it takes to explore the underwater world. In a matter of minutes, you will be breathing underwater and marvelling at the fish all around you. You will learn some basic skills and safety rules that will carry over when you are ready to take the next step.

2 Hours | US\$ 195 per person

Scuba Diver

This is the first step to becoming an independent diver. The Scuba Diver course allows you to get certified quickly and easily by minimizing time constraints. Throughout this course you will learn the fundamentals of scuba diving. The course includes some knowledge development and confined water dives, followed by two open water dives.

2 Days | US\$ 560 per person | US\$ 1000 per couple

Open Water Diver

This is your ticket to a lifetime of intense fun and adventure. Once completed, the most widely recognised diving certification will give you the freedom of diving with a buddy, independent of a professional. The course includes five confined water dives, knowledge development and four open water dives.

3-4 Days | US\$ 750 per person | US\$ 1350 per couple

All prices are in US Dollars & subject to 10% service charge and 12% G.S.T.
List and prices are subject to change.
