LOOSE LEAF TEAS

BRAZILIAN FRUIT

This fragrant black tea blend, scented with chunks of Maracuya passion fruit hailing from Brazil, is smooth and nicely balanced with a slight sweetness and delicate spice.

ORGANIC EARL GREY

High-grown Ceylon and China black teas are combined with the smoky citrus notes of bergamot fruit. An elegant, balanced and full-flavored classic cup.

PEAR CARAMEL

Washington state pears have been blended with Ceylon and China black teas and a touch of vanilla and sweet caramel. The perfect after-dinner dessert tea or afternoon treats.

SILVER JASMINE

The tender new buds, covered with silver-white hairs, are picked in Fujian Province on only two days a year and processed entirely by hand. Tossed with superior Jasmine flowers, this rare tea gives forth a sweet rounded infusion that is smooth and rich.

GREEN TEA TROPICAL

Boasting smooth green tea leaves that harmoniously blend with sweet tropical fruits to create a sensation as uplifting as a breeze of the isle of Papenoo. A healthy and refreshing blend, Green Tea Tropical makes an ideal introduction to green tea.

MASALA CHOCOLATE TRUFFLE

Masala Chocolate Truffle herbal tea delivers creamy chocolate notes accompanied by zesty cinnamon, cardamom, and cloves in this chai tea like herbal infusion.

ORGANICE AFRICAN NECTAR

The African rooibos or red bush makes a vivid and smooth cup blended with hibiscus and exotic fruits of the African continent. Rich in antioxidants, it promotes calm and relaxation. Perfect for enhancing a peaceful state of mind.

CHAMOMILE CITRUS

A unique mélange of Egyptian chamomile, citrus slices, lemongrass, rose hips, hibiscus, and mint. Delicately fruity and soothing, as well as an excellent source of Vitamin C.

WILD BLOSSOMS & BERRIES

Blackberry and black currant, infused with lemongrass, hibiscus, chamomile, mint, licorice root, and spices produce hearty, memorable refreshment.
