THE ISLAND FORT

Kitts Experience
Small colonies like St. Kitts were always in danger of being taken by the enemy, especially during time of war. There had to be a protective force on island at all times to guard both people and property. It is for this reason why forts were constructed around St. Kitts and why Park Hyatt St. Kitts presents:

‘The Island Fort by Camp Hyatt’.

Join us in our Fort, where we create a safe yet fun atmosphere for our little adventure-seeking and fun-loving guests. An eclectic mix of indoor and outdoor activities, arts and crafts, storytelling, games and much more is the hallmark of The Island Fort, to keep our youngest guests coming back each and every day.

Meet some of our peninsula friends, the inspiration for our activities:

- Penny Pelican
- Vernon the Vervet Monkey
- Trevor the Turtle
Staying healthy is very important even for our youngest guests. Join us for heart healthy activities geared to promote healthy living and a balanced lifestyle all while having tons of fun.

Activities include:

**Walk It Out!** – Take a brisk yet brief walk around the resort and discover its majesty.

**Fit-ball Challenge** – A kid friendly version of circuit training.

**Lagoon Pool Swim** – Show your swimming skills and agility in the family pool.
