

The  Island
Fort
by
CAMP Hyatt®

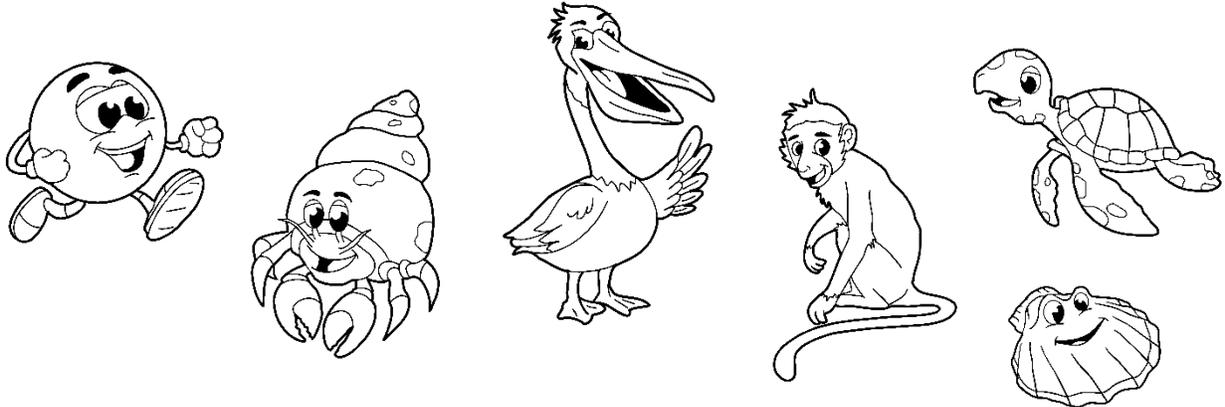

Small colonies like St. Kitts were always in danger of being taken by the enemy, especially during wartime. There had to be a protective force on island at all times to guard both people and property. It is for this reason why forts were constructed around St. Kitts and why Park Hyatt St. Kitts presents **'The Island Fort by Camp Hyatt'**.

Join us in our Fort where we create a safe, yet fun atmosphere for our little adventure-seeking and fun-loving guests. An eclectic mix of indoor and outdoor activities, arts and crafts, storytelling, games and much more is the hallmark of The Island Fort, to keep our youngest guests coming back each and every day.

Meet some of our peninsula friends, the inspiration for our activities:

Bob the Ball

Hermia the Hermit Crab

Penny the Pelican

Vernon the Vervet Monkey

Trevor the Turtle

Sheldon the Seashell
