

PRIDE AT THE PARK

In recognition of Pride Month, Park Hyatt Toronto has partnered with The Canadian Foundation for AIDS Research (CANFAR) for a month filled with culinary offerings and activations throughout the hotel and the City of Toronto.

Founded in 1987, CANFAR aims to end Canada's HIV epidemic by leading national strategies to increase prevention, testing, treatment and linkage to care, in order to end HIV stigma.

CAKE

Oscar Wilde - Chocolate, Malt, and Stout Cake 17

Oscar Wilde, born in 1854, challenged societal norms through his works, which included plays, essays, and novels. He fearlessly expressed his sexuality at a time when it was considered taboo, becoming a prominent voice for queer individuals.

Indulge in a slice of decadence inspired by the legendary Oscar Wilde, a renowned writer and influential figure in the LGBT community. This Chocolate, Malt, and Stout Cake pays tribute to Wilde's eloquence, wit, and unapologetic embrace of his identity.
