Our Story...

By infusing traditional influences, cultures and local ingredients with modern vibes, our vibrant Beach House family will take you on a journey through time and taste.

In an island that encompasses food cultures spanning as far and wide as Arabia, Europe and India, we offer multicultural cuisine inspired by the rich Omani, Indian, Portuguese & British cultures.

Our chef Popi, endearingly known as the alchemist, and his team create marvelous dishes from locally sourced produce and spices from the spice farms with the intent of highlighting the food's natural taste, Colour and texture.
