Marina Services

The marina slips can accommodate vessels up to 150 feet and feature electric, cable TV hook-up, Wi-Fi, and water hook-up. We have private restrooms and showers as well as washers and dryers. Fire pits and grills are ideal for cooking and entertaining. Nearby is a marina repair facility, haul-out facility, and boat ramp.

The popular “Quarterdeck Store” is our self-service general store. In addition to boating accessories, Quarterdeck also carries resort gifts, sundry items and a variety of grocery products.

Approach/Docking
From the Chesapeake Bay, enter the Choptank River heading east as you approach the Senator Frederick C. Malkus, Jr. Bridge (a 50-ft. vertical clearance). While heading under the bridge, continue towards green marker 27. Make a starboard 90 turn at green 27 and the entrance to our dock will be approximately 300 yards away at your bow. As you enter the marina, the docks will be to your portside starting with “Dock C” and going to “Dock A.” The fuel and pump-out stations are located on Dock C. A floating concrete breakwater pier encircles the marina. Our boat docks are all fixed piers with several floating docks available upon request.
