Prepared by our master chef with years of culinary experience, MADE IN CHINA'S world famous noble Peking Duck has made its way into the hearts of many guests. Roasted for around 75 minutes in a traditional "Beijing" date wood-fired oven, the duck soaks up the special fruit flavours from the date wood. The duck skin melts instantly on the tongue and the meat is full flavoured and very tender. Carved tableside, the duck is served with pancakes, classic condiments such as sugar, leeks, cucumber, garlic, sauces, and duck soup.
