# SUSTAINABILITY AT HYATT REGENCY DELHI

Caring for the planet is a natural extension of Hyatt's purpose - "to care for people so they can be their best"
At Hyatt Regency Delhi, we are committed to making sustainability a part of every decision, every day.

## OVERVIEW

Earth-Check Bronze Benchmarking Achieved

Formal Sustainability and Environmental Social & Governance (ESG) Policy implemented

Cross-departmental World of Care Team established

In-house bottling plant producing purified drinking water in glass bottles, eliminating single-use plastic bottles

Eco-friendly housekeeping and laundry chemicals used across the property

Regular sustainability training and awareness sessions conducted for all colleagues

## CLIMATE CHANGE & WATER CONSERVATION

LED lighting across the property

Energy consumption is regularly audited and monitored

Advanced Building Management System (BMS) supported by a dedicated Energy Manager

35% of total energy sourced from renewable power

On-site Sewage Treatment Plant (STP) for responsible wastewater management

Treated water reused for non-potable purposes such as cooling tower and landscaping

Paper usage monitored across departments, supported by reduction efforts and QR-enabled digital newspaper access in hotel cars

## WASTE & CIRCULARITY

Color-coded waste segregation process in place:

*Green (food waste), Blue (paper/general), Red (glass), Grey (metals), Yellow (plastic), Black (sanitary)*

Daily waste tracking and monthly reporting in compliance with local regulations

Safe and regulatory-compliant hazardous waste disposal practices in place

Recycling vendor partnerships actively being strengthened

## RESPONSIBLE & CONSCIOUS OPERATIONS

Low-impact, environmentally preferred chemicals used in engineering, housekeeping, and laundry

Active reduction of paper usage across departments

Sustainability notice boards for employee awareness and engagements

World of Care champions driving sustainability across departments

Responsible sourcing practices integrated into procurement processes

Active participation in Hyatt's global sustainability framework
