

HYATT™

GET TOGETHER VIRTUALLY

Enable participants of your meetings to get in touch, no matter where they are. With our digital solutions, we can connect participants to your real events virtually or combine your event with other events as a hybrid meeting.

First-class technology for successful meetings – simple, secure and reliable at Hyatt hotels in Germany.

VIRTUAL MEETINGS AT HYATT HOTELS IN GERMANY

Take your meeting to a new level with our customizable options.

LIVE STREAM VIDEO CONFERENCE

The easiest way to stay connected.

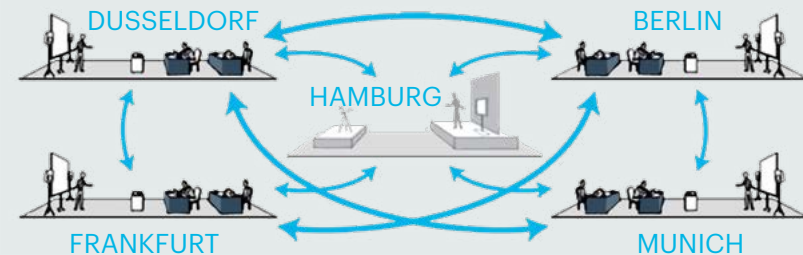

Connect participants who cannot be physically present to real on-site meetings. Live Stream Video Transmission allows you to work together from any location, without sacrificing your personal safety.

INTERACTIVE LIVE EVENTS

Super Hybrid Meetings for even greater reach.

Meet in different locations without having to travel and / or combine multiple meetings and events that take place in different locations. This feature is available in most large German cities.

We take care of everything from safe meeting concepts to seamless live streaming technology. Experience the “True Hyatt Meeting Experience.”

- First-class technology and experienced on-site technical service providers
- Dedicated event planners
- Customized, cost-effective and creative events
- Spacious rooms, outdoor coffee breaks and a hygiene manager
- Premium foods and creative coffee breaks, from various bento boxes to balanced menus
- With Hyatt Catering, we can also come to your office.
