*The Department of Public Health advises that eating raw or undercooked beef, poultry, eggs, fish, lamb, pork or shellfish poses a health risk to everyone, but especially the elderly, young children under four, pregnant women, and other highly susceptible individuals with compromised immune systems. Thorough cooking of such animal foods reduces the risk of illness. A gratuity of 18% will be added to parties of 6 or more. Please let us know if you'd like this adjusted or removed.
