

KNOW BEFORE YOU GO

HOTEL TOUR AT HYATT REGENCY ORLANDO

SAFETY FIRST, WELLBEING ALWAYS

Our purpose at Hyatt—to care for people so they can be their best—is guiding our decisions as we support you and your time with us.

We look forward to the opportunity to welcome you to our hotel. Our priority in doing so is with your safety and wellbeing in mind. Here are some of the precautionary measures in place:

ATTENDANCE

In advance of your visit, please provide your Sales Manager with a list of guest names attending the Hotel tour

PARKING

If you are driving in, please feel free to park in one of the spaces located in the hotel's front drive.

FACE COVERINGS

Guests who are unvaccinated are required to wear face masks or coverings in hotel indoor public areas, as well as outdoors where social distancing is not feasible (with some limited exceptions). Hyatt colleagues are required to wear face masks or coverings indoors, and fully vaccinated colleagues working outdoors, who are not in close contact with others, are not required to wear face coverings.

COLLEAGUE SAFETY & WELLBEING

Colleagues have completed trainings and certification for hygiene/cleanliness and PPE. Additionally, colleagues are screened upon arrival and temperatures are taken.

SOCIAL DISTANCING

Social distancing guidance has been placed in public areas. During the tour and as we enter guestrooms and event space, we plan to practice safe physical distancing of 6 feet from one another.

SANITIZATION

Frequent sanitation of public spaces, guest rooms and high touch areas. Sanitizer stations prominently placed throughout the hotel.

ELEVATORS

Elevator button panels are disinfected at frequent intervals. We will be limiting travel in elevators to (4) guests per trip.

GUESTROOMS

Each guestroom is cleaned with hospital-grade disinfectants. We ask that only (2) guests enter the guestroom at a time.

COLLATERAL

In an effort to minimize contact, your Sales Manager will email you any necessary documents prior to the hotel tour.
