## Featured Wines

<b>Jordan Chardonnay</b> , Russian River Valley.....	20	90
Enticing aromas of pear, kiwi and lychee. The palate is round, creamy and refined, with layers of lemon curd, bright acidity and a kiss of caramel from barrel aging. A juicy, succulent wine that leaves a lasting impression of fresh Meyer lemon and stone fruits on the crisp finish.		
<b>Beronia Reserva Rioja</b> , Spain .....	15	70
The wine is produced following a selection of the best grapes from the oldest vineyards. Aged in mixed oak barrels of American staves and French tops for 20 months to allow a paused and harmonic evolution. The American oak gives a sweet character of vanilla and coconut while the French oak gives spice, making for the perfect balance of acidity and silky tannins guaranteeing a long and elegant wine.		
<b>Kenwood Artist Series</b> , Sonoma County .....		155
The wine is deep in color, unveils fragrant fruit aromas of cassis, black cherry and vanilla that join with complex notes of hazelnut and violet. These powerful flavors are matched by a dese palate that stays smooth through the long, lingering finish.		
<b>Cain NV12 Cuvee</b> , Napa .....		80
The NV12 is a happy blend of the warm, generous 2012 vintage and the cool, aromatic, and structured wines of 2011. The beautiful perfume of Cain's mountains floats ethereally over a round, plump, inviting wine. It is complex, a blend of the Cabernet family, dominated by Merlot (almost half).
