Our Story

Named for the soft morning mist that gently floats over the cottonwood trees and Río Grande, Tamaya Mist Spa & Salon is a place where we honor the journey of the Tamayame people, their tradition of hospitality, and intimate connection with the land.

Centuries ago, the Tamayame came into this world and began searching for a home. They built villages throughout the valley but always moved on, traveling from the North to the West, then the South and East. Finally, they chose to rest in this place -- Tamaya.

Relax, renew, and reconnect at Tamaya Mist Spa & Salon. Find a lasting sense of peace and well-being as we prepare you for your own journey.

Reservations

To make your appointment, please call 505-771-6134, dial extension 6134 from within the resort or book online. We recommend reserving 48 hours in advance to ensure your preferred service, time, and provider(s) are available. Willingness to book with either a female or male provider will offer greater flexibility in scheduling.

For parties larger than 6 guests, please ask for our group coordinator. Pricing and services subject to change.
