We advise that "thoroughly cooked foods of animal origins such as beef, eggs, fish, lamb, poultry or shellfish reduces the risk of food borne illness." Individuals with certain health conditions may be at a higher risk if these foods are consumed raw or undercooked. Please notify your server if you have any food allergies or require special food preparation and we will be happy to accommodate your needs. Avocado on sushi rolls is dependent on the season.

Enjoy fresh herbs and vegetables, grown right here in our hydroponic garden.
