Dear Tim Heo:

On behalf of the Global Biorisk Advisory Council (GBAC), a division of ISSA, the worldwide cleaning industry association, I congratulate you on achieving GBAC STAR™ Facility Accreditation for **THOMPSON HOTEL WASHINGTON DC**.

GBAC STAR Facility Accreditation identifies **THOMPSON HOTEL WASHINGTON DC** as a showcase example of commitment to ensuring a clean, safe, and healthy environment for your employees, customers, and stakeholders. This accomplishment also demonstrates your leadership in transforming the cleaning industry into an essential part of any business.

In honor of this impressive achievement, we are pleased to present you with the enclosed GBAC STAR Facility Accreditation certificate.

Now that your facility has achieved GBAC STAR Facility Accreditation, we encourage you to share your success with your greater community and position your facility as an industry leader. Visit the GBAC STAR Accreditation Portal at <http://gbac.issa.com/PRmaterials> where you will find marketing communications, public relations templates, GBAC STAR seal logo files and usage guidelines.

Coming soon: Watch your email for instructions on how to order GBAC STAR plaques and other supplies from the GBAC STAR Store.

GBAC and ISSA will send out a press release announcing your facility's accreditation and will add your facility to the GBAC STAR Facility Database. You will also receive your ISSA membership information shortly.

Congratulations again on earning GBAC STAR Facility Accreditation!

Sincerely,
